ORDER

NORTH JERSEY TRADING CORPORATION, ALEXANDER FRIED, JUDITH HERSKOWITZ,

[redacted]

Defendants.

----------X

Pursuant to this court's order of June 8, 2005, defendant Judith Herskowitz requests, by her letter of June 12, 2006, the opportunity to file a motion for the court's recusal.

This request is denied. Once again, the proposed motion is repetitive of motions already filed and denied by the court (see, court orders dated February 16, 2005 and June 8, 2005).

The defendant is reminded that the order of June 8, 2005 does not preclude her from filing a meritorious, non-repetitive motion. If such is put before the court for its prior approval, the court will permit the filing of same. Additionally, the court's decision of June 8, 2005 does not preclude defendant from responding to any motions or orders to show cause brought by other parties in this matter and defendant should be served with same.

This shall constitute the decision and order of the court.
